Failure to attend the required orientation may result in dismissal from the program.</p>
	<p>Time Management & Preparation: Developing a resilient, thriving business requires time management and preparation. We expect entrepreneurs to be on time and prepared for all orientation, workshop, one-on-one mentoring, and peer mentoring sessions. Excessive tardiness or unpreparedness may result in dismissal from a program.</p>
	<p>Workshop Attendance: Entrepreneurs are required to attend the workshop sessions of the course(s) in the program they are enrolled in. Up to two (2) excused absences may be permitted per 12-week course and up to one (1) excused absence may be permitted per 6-week course. 	<p>Mentoring Appointments: Our mentors are here for you. Every minute you are late or not present, you lose a minute of opportunity for assistance on your business. If you need to reschedule a one-on-one mentoring session, contact your mentor at least twenty-four (24) hours in advance. Mentors will make every effort to reschedule with you. If you request to reschedule at the last minute, mentors are not required to reschedule with you. Remember our mentors have their own businesses, too. Peer mentoring sessions will not be</p>

Standards of Progress: Uptima Entrepreneur Cooperative assesses entrepreneurs on a “Pass / No Pass” basis. Entrepreneurs must achieve a “pass” rating from their instructors in their final progress reports for each course in the quarter. Instructors measure entrepreneur progress carefully through weekly attendance, participation, and business development activities and final deliverables in each course. Assessments are reviewed on a completion basis. To complete a course, entrepreneurs must attend the course regularly and submit all required business development activities.

	<p><i>Program Deliverables:</i> Entrepreneurs are expected to complete weekly business development activities in each of their courses. In addition, each course has certain business development activities that are required for completion of that course and progression to the next course in the sequence. These weekly and required deliverables are to be submitted through the online learning environment by their deadline. Failure to complete and submit required deliverables may result in deferral or dismissal from a program.</p>
	<p><i>Progress Reporting:</i> Building a business is a process of continuous improvement. As business owners, we receive feedback from customers, employees, and partners on regular basis through informal conversations and more formal surveys and other tools. And, we use that feedback to refine our programs and business strategy. The courses in our programs provide you with regular feedback to refine your business strategy. You will receive informal feedback from instructors, mentors, and peers on your weekly business development activities. In addition, you will receive more formal feedback through progress reports from your instructors that are designed to provide you with documented feedback on your business and personal development and next steps for your business at regular intervals throughout each course. These documented progress reports are used in determining your readiness to progress from course to the next in the program sequence. Uptima Entrepreneur Cooperative also reserves the right to defer enrollment in the next course in the sequence based on insufficient progress in your courses.</p>
	<p><i>Course Completion & Continuation Requirements:</i> Each course within our programs has certain completion requirements outlined in the course syllabus, discussed in the first workshop session, and shared in the online learning environment. Entrepreneurs are required to complete and submit these business development activities through the online learning environment and receive a “pass” rating from their instructors in their final progress report to continue from one quarter to the next quarter in our programs.</p>

Regulatory Disclosures:

State Tuition Recovery Fund: The State of California established the Student Tuition Recovery Fund (“STRF”) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd Ste 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Financial Aid & Student Loans: Uptima Entrepreneur Cooperative does not participate in either State or Federal financial aid programs.

Uptima Entrepreneur Cooperative does not offer in-house financing or personal student loans to students.

If a student obtains a loan to pay for a program at Uptima Entrepreneur Cooperative, the student bears the responsibility to repay the full amount of the loan plus interest, less the amount of any refund disbursed directly to the lender in the event of cancellation, withdrawal, or dismissal.

If a student defaults on a federal or state loan, both the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.
